

THE AYK SUPER TRAIL. FINALLY. AN OFF-ROAD RC KIT FOR THE SERIOUS RACER.

Jump ahead of the pack.

Go for it. The rugged new AYK Super Trail can take a beating while dishing one out... because we designed it to handle all-out competition off road abuse.

Race Ready out-of-the-box.

You won't need a lot of extra-cost options to win with AYK.

The front end won't wilt and the wheels won't crack the first time you hit the track.

Exciting performance.

The Super Trail leaps into action on a rigid, ladder frame and grips the roughest terrain with 4-wheel fully-independent suspension, a wide-track stance and trick coil-over oil shocks.

Available Now!

AYK Super Trail kits and accessories are here at last! See your local RC specialist and get in on the action with AYK.

*Optional GZ240 and GZ480 competition motors available.
